

Meeting-4:

Venue: AksharSpeech Labs

Member's present: Lasya Venneti, Shubham Rathi, Vamshi Palabatla, Vivek Ghaisas

Date: 29th October

1. We had thoroughly explained about the problems that are faced by us while using wxPython for the UI.
2. The client approved us to change the platform from wxPython to nodejs.
3. We also asked about the availability of the backend server for the application.
4. The client asked us to build a dummy server for R2 since the backend wouldn't be ready.
5. The meeting ended by informing client that the application would be ready soon.
